Contents

835  In this issue

Undergraduate Education
836  Assessment of professional behaviour in undergraduate medical education: peer assessment enhances performance
J Schönrock-Adema, M Heijne-Penninga, M A J van Duijn, J Geertsma & J Cohen-Schatanus

843  Does ultrasound training boost Year 1 medical student competence and confidence when learning abdominal examination?
J Butter, T H Grant, M Egan, M Kaye, D B Wayne, V Carrion-Caire & W C McGaghie

849  Factors inhibiting assessment of students' professional behaviour in the tutorial group during problem-based learning

Assessments
857  Does feedback matter? Practice-based learning for medical students after a multi-institutional clinical performance examination
M Srinivasan, K E Hauer, C Der-Martirosian, M Wilkes & N Gesundheit

866  Reliability of peer and self-assessment scores compared with trainers' scores following third molar surgery
A W Evans, R M A Leeson & A Petrie

Clinical Skills
873  Simulating the longitudinal doctor-patient relationship: experiences of simulated patients in successive consultations
T Linssen, J van Dalen & J J Rethans

879  A systematic review of medical skills laboratory training: where to from here?
M Lynagh, R Burton & R Sanson-Fisher

Short Reports
888  The effect of candidate familiarity on examiner OSCE scores
A Jeffries, B Simmons & G Regehr

892  Attitudes of health sciences faculty members towards interprofessional teamwork and education
V R Curran, D Sharpe & J Forristall

Other Research Papers
897  Instructional methods and cognitive and learning styles in web-based learning: report of two randomised trials
D A Cook, M H Gelula, D M Dupras & A Schwartz

906  Assessing the relationship between peer and facilitator evaluations in case-based learning
K J Ferguson & C D Kreiter

909  Women in the UK academic medicine workforce
B Sandhu, C Margerison & A Holdcroft

Letters to the Editor
915  Trials in medical education: fret less about contamination and more about statistical power
K Galbraith

916  Integrating basic laboratory skills and clinical practice
M Coetzee, M L Lottering, S Grey & M Viljoen

917  Do newly qualified doctors use the knowledge and skills they learned as medical undergraduates?
S F Smith, N J Roberts & M R Partridge

918  How literature and popular movies can help in medical education: applications for teaching the doctor–patient relationship
J-E Bahos

919  Mentorship in academic medicine
M Whitworth

920  What do parents think about their children being involved in medical education?
J E C Round & S Walker

921  ASME Announcement

The journal is indexed in Cumulative Index to Nursing & Allied Health Abstracts, EMBASE, Index Medicus, Research Alert, Science Citation Index and SciSearch.
